

Elissa Stormo-Hoffmann- Organizational Development/HR Director

Elissa manages and oversees organizational development and human resources for all ArtiFlex locations. She dedicates her time to ensuring that ArtiFlex and its team members continue to grow and develop to their full potential. Her objective is to lead and flourish the ArtiFlex team to be better than the previous day. She does this by instilling a servant leadership culture through all levels of the business and enhancing a strong safety culture. Elissa strives to unleash ArtiFlex's talents throughout every level of the organization.

Elissa has over 25 years of experience in human resources, recruiting, and business development. She has served many roles in various fields including a recruiting firm, healthcare system, and sports clubs. Beginning her journey with ArtiFlex in 2007, she has assisted with key acquisitions and played a prominent role in the evolution of the ArtiFlex known today.
